

JOIN THE FLIGHT CREW – JETHAWKS BOOSTER CLUB

The JetHawks season is over for 2009 but the Flight Crew Booster Club continues its activities year round. We look forward to the players return in March and hope to have everything ready for them.

The Flight Crew is not a JetHawks baseball club organization but a separate non-profit program which supplies support to JetHawks players. Along with the support and assistance from JetHawks baseball club management we work toward keeping our players happy and focused on baseball.

The mission of the Flight Crew is to support JetHawks players and that support takes many forms.

For those players desiring a family in the desert, the Booster Club provides them with a “sponsor”. Sponsors are not required to provide lodging. The sponsor is asked only to support the player with generally requested items such as baked goods, occasional meals, sports drinks, and transportation. Most important, the sponsor’s role is to just be there for moral support. Many of the players are away from home for the first time and a friendly face is often appreciated. Once you meet your player you find out their likes and dislikes and quickly bond with them.

The Flight Crew provides a bar-b-que for the players after each Friday home game. The meat is supplied by the organization and Flight Crew members are asked to contribute side items.

After each Sunday home game, the Flight Crew members provide a pot luck dinner for the members and players. It is a good opportunity for sponsors to sit with their players and other members to get to know the team.

During the season bus trips are planned for several away games. The trips are fun and develop camaraderie among the members as we travel to root our team on at an opponent’s stadium.

At the end of the season we say good-bye to our players at the Player Recognition Banquet. The Flight Crew provides a going away gift for each player with a fun prize give away. Many sponsors also present their players with a scrapbook to memorialize their season. There is usually a raffle and a silent auction where you might just pick up a piece of sports memorabilia at a steal.

If we haven’t convinced you to join yet, there is also the 10% discount in the stadium gift shop. Add to this our monthly meetings where we get together in a comfortable, casual atmosphere to discuss ideas for the year, obtain Booster Club and team information, and sometimes hear interesting guest speakers

But what really makes the Flight Crew possible is the support of the fans and only fan participation can make the Flight Crew an effective organization.

The Flight Crew has many committees which function year round. We are always looking for fund raising activities, and ways to increase our membership and provide extraordinary Player Support.

There are three (3) types of membership available:

Single - \$35 dues for just you

Family - \$50 dues for up to four (4) people in your family. Additional family members can be added for \$5 each.

Business - \$200 dues for up to six (6) people in your organization. Business members also receive an advertisement in our monthly news letter, and, in addition to the items listed below, a second t-shirt and two (2) tickets to the Player Recognition Banquet at the end of the season.

Each membership is entitled to one (1) flight Crew t-shirt per membership, a lapel pin, a booster club membership card lanyard, a membership card for each member.
