## December 2011

### Notes From The Chair

The Board of Directors wishes all members a happy holiday season. 2011 was a pretty good year for the booster club and we will work hard to provide a high level of support to the 2012 team. Enjoy the holiday season, be safe and get ready to support our club activities in 2012.

Our December bake sale at the Dallas' Trees on Avenue K just east of Division will be on two weekends this year (December 9, 10, & 11 – December 16, 17 & 18). With two weekends we will need plenty of products to sell so if you can bake for both weekends that would be greatly appreciated. If you can spend a few hours to sell at the bake sale please contact Barbara Toman at 886-0919.

Thanks to those who worked the McBooster night at the McDonalds on Ave K and 12<sup>th</sup> West on Monday November 14<sup>th</sup> -we had a good time and made \$328 for the booster club. Kathy is planning another in a few months and if you would like to help please contact Kathy Leon at 803-5148.

Remember, 2011 Memberships have expired so if you have not renewed for 2012 please contact Darlene Silverman.

-Curt Redecker

# Take Me Out to the Ballgame!

## Baseball Fact of the Month

Question: The batter hits a foul ball that rolls towards the dugout, the first baseman throws his glove at the ball. The glove contacts the ball about 3 feet from the dugout. The umpire awards the batter three bases for defensive interference by throwing the glove at the ball. Is this the correct call?

Answer: No a batter is only awarded three bases when the fielder deliberately throws his glove and makes contact with a fair ball or a ball that has a chance of becoming fair.
