The Official Newsletter of the Flight Crew  
Booster Club of the Lancaster JetHawks Professional Baseball Club

**April 2011**

## Notes From The Chair

The 2011 season is underway and the Booster Club will again be actively involved with many stadium activities which membership participation is needed. If you have a few minutes following the game we can use your help in stadium recycling. We provide a post game meal for each Friday home game and need members to provide sides for 35 team members. Lester ball is heading up this effort so if you are willing to provide sides such a baked potatoes, casseroles and etc. please contact Lester in Section 105, Row A. We will have four (4) bake sales this season with the first in May. These are just a few of our activities that need your support. Judy Lester is signing up and assigning sponsors. This is an on going effort throughout the season so if you decide later in the season that you would like to sponsor a player give your name to Judy and she will coordinate the assignment.

The Booster Club woven heavy blankets (48 x 67) are available for sale. The blankets are beautiful, 4 color woven blankets that will help keep you warm at the April and May games. The POC for the blankets are Dallas or Kim Russell in Section 105. Blankets can be ordered and delivered at the stadium but there will be no over the counter sales at the stadium.

From time to time problems occur at the stadium. These problems should be referred to the stadium management staff for resolution. Please don't take out your frustration on the game day staff.

Lets wish the 2011 Jethawks a successful season on both an organizational and personal level.

-Curt Redecker

## Baseball News of the Month

Major League Baseball and Minor League Baseball have extended their Professional Baseball Agreement through the 2020 season. This agreement governs the relationship between Major and Minor League Baseball and provides stability and allows development of players for MLB and for Minor League Baseball to do what they do best – provide a fantastic fan experience in a family friendly environment.
